I-066-001

I would like to know if the avenue has been checked south of Greenhorn to Chama and through the Canyon to Russell. There is an old road that the copper mine on Pass Creek used to use for their car wagons to use because Laveta Pass was too steep.

I-066-001: Project Alternatives (In Review)

Your email/letter/comment from has been received and your comment noted. A range of reasonable project alternatives and mitigation measures including the no action alternative will be addressed in the Environmental Impact Statement.

The Environmental Impact Statement is anticipated to be completed in late 2010 and will be available at
